## ***“Points-of-Pride”***

The Iowa Basketball Coaches Association (IBCA) is currently experiencing the “pains” of changing over leadership roles and duties. Our Executive Secretary, Don Logan, is working his way out of the leadership role after 40 years of service to the IBCA, with the last 34 being in his current position. This operation has been in the works for some time, and continues to be a work in progress. As a result, all aspects of the IBCA are undergoing changes, with specific alterations in our operational procedures. This is in no way a discredit to Don – on the contrary, it is due to the multitude of duties and responsibilities he held, requiring us to split out into committee structures, which inevitably require different approaches to the IBCA structure.

Our Fall Clinic will continue to be our “centerpiece;” very large and extremely well run. The 2017 clinic will be held in Des Moines, October 21<sup>st</sup> and 22<sup>nd</sup>.

The IBCA “*Team First Award*” was instituted this past year. It was a huge success with over 50% of our member schools requesting an award for one of their players. We look for this to grow into a much larger percentage in 2018.
