

“POINTS OF PRIDE”- KENTUCKY

The KABC was formed in 1993 after several meetings of coaches representing various regions of the state. The meetings took place in Lexington, Kentucky, at the KHSAA offices. The purpose of these meetings was to develop a basketball coaches' association that would protect and promote the game and its tradition-rich legacy.

- 2018 marks the 100th year anniversary for High School Basketball in Kentucky. The centennial celebration will take place this coming year with a number of events throughout the state.

The Kentucky High School Basketball Hall of Fame is dedicated to promoting and educating the public about the culture, tradition and rich heritage of Kentucky High School Basketball. It will honor and provide a fitting tribute to former players and coaches while preserving and displaying historical information and memorabilia associated with the game.
